

ONLINE AUDITION RULES & GUIDELINES

- The medium for casting or audition for artists based out of United States will be Skype. This can also apply to artists living in USA depending on the availability of the casting manager/director and prior approval.
- The artist participating in the online casting or audition should be over the age of 18 on the date of the audition.
- The artist shall provide proof of her age. In case where the artist has not provided the proof of her age, the artist agrees to take full responsibility of her actions.
- The artist is entirely entitled to ask for proof from the casting manager/director to prove he/she has been appointment by the production company to conduct the casting or audition(authorisation letter).
- During initial rounds of the online casting or audition the video and audio of the casting manager/director shall be made unavailable to the artist during live audition to maintain and protect confidentiality of the casting manager/director and the production company and because of recent issues with stalkers and lawsuits.
- The one time audition fees for artists who are not registered under a reputed representative as recognised by the production company or for artists who have not been a part of a Hollywood feature film before will be at the tune of \$100. The same will be adjusted in the payment due from the company towards the artist. The artist may however not be charged based on recommendation of the casting manager.
- The fees is not applicable to artists who have participated in online casting or audition by casting manager/director of the production company before if they provide proof of the same.

- The casting manager/director has full right and jurisdiction ask the artist to perform things pertaining to the role during the casting/audition.
- The casting director shall maintain professionalism during the audition or casting at all times and circumstances.
- Any cases of harassment can persuaded by either the artist or the casting director with jurisdiction of the constitution of United States American under Civil Rights Act Of 1964.
- The casting manager/director has the right to cancel the audition at any point of time without citing reason for the same.
- The casting manager/director has full right to deny the role to the artist without citing reason for the same.
- The casting manager/director must maintain confidentiality of the details of the artist provided casting/audition which would include Audio, video and texted conversations.
- The artist at all times shall maintain confidentiality of the audition or casting pertaining to all the details of the film.
- The role can be obtained only based on skills/talent of the artist. If there is any act of persuading the casting manager/director with means other than acting skills/talent of the artist, that would lead to eventual cancellation of the role depending of further enquiry.
